### CHECK OUT OUR SPRING CLASSES:

**Raspberry Pi /Intro to Robotics** – Learn computer programming with a tiny computer called Raspberry Pi. Program games, puzzles, and other tools using Python & Scratch computer languages. Learn to use the Linux operating system & a variety of open source software sets. New computer labs every week! Have fun while learning computer science and engineering.

Sal Rivas, Instructor

**Art and Soul** - Join us as we make creative projects that focus on the peace and wonders in the world. We'll decorate things such as peace signs, candle holders, wind chimes, etc., and inter-mix our creative endeavors with short meditative practices.

Michele Bledsoe, Instructor

**Healthy Cooking** - Learn to prepare snacks and simple meals that are healthy & easy to make. Sample different types of cooking, as well as different ways to cook.

Melissa Zehe, Instructor

**Art Explosion** – We will start with basic sketching and drawing lessons and then learn many brush and tool techniques for acrylic painting on canvas and on other materials. We will also explore painting with watercolors.

Rebecca Russell, Instructor

***Class sizes are limited – so register soon!*** **Classes run from 3:00 to 4:30 every Thursday.** Students may come directly from school and meet in the FTB Cafeteria where an on-site coordinator will stay with students, and administer snacks until class time. *After School Arts registration forms will be available at Culpeper middle schools, high schools, and Culpeper Public Library.*
